EXPERIENCE

Operations Intern

May 2025 – August 2025
May 2026 – August 2026

NOLA Education, New Orleans, LA

- Supported operations managers by coordinating with a cohort of interns to set-up classrooms.
- Assembled and inventoried desktop computers in classrooms across 20+ schools.
- Provided bug testing and quality assurance tasks on curriculum software.
- Performed systems setup and installed third-party educational software for curriculum onto computers.
- Assisted IT manager by developing a script to compile and update status of computer repair tickets.
- Collaborated with school district IT staff to onboard computer systems to their respective network.
- Unboxed and constructed specialty curriculum for dynamic staging on student workspaces.
- Off-loaded and unpacked heavy pallets of boxes and materials for establishing school sites.
- Travelled in team setting to various schools in the south US region to contracted school sites.
- Directed tasks among fellow interns in a time-sensitive environment for punctual completion.
- Maintained professional courtesy to field questions and concerns from both teachers and students.

PROJECTS

- Sourced, built, and currently maintaining a personal computer.

SKILLS

- Proficiency in Adobe Photoshop, and Microsoft Office products.
